

Software Asset Management Desktop Deployment Planning Services

BYTES TECHNOLOGY GROUP
IT Services for the Enterprise

Customers that meet purchase requirements under their Microsoft Volume Licensing agreements (including Select License SAM and Enterprise Agreement) are eligible to receive **FREE** Desktop Deployment Planning Services (DDPS).

These services, ranging from one to fifteen day engagements will not only improve your organisation's understanding of the business value of upgrading & the cost of migrating your environment, but will provide you with a deployment roadmap specifically designed for your organisation. Bytes are one of a just a handful of accredited organisations who can deliver these services.

FREE engagements available via the Software Assurance Programme

1 day engagement

- Pre-flight questionnaire
- DDPS Presentation at customer site
- Summary and Recommendations Document
- Cost Model Summaries

3 day engagement

- 1 day engagement PLUS
- Analysis of customer environment
 - Additional Presentations of relevant tools and technologies

5 day engagement

- 3 day engagement PLUS
- 2 Days Proof of Concept (POC) lab demonstrations incorporating limited example deployment to customer hardware

10 day engagement

- 3 day engagement PLUS
- 7 Days of customised POC lab development using customer's infrastructure, hardware & software – this is left with the customer to use after the engagement
 - Desktop Deployment Plan

15 day engagement

- 3 day engagement PLUS
- 12 Days of highly customised POC lab development using customer's infrastructure, hardware & software – this is left with the customer to use after the engagement
 - Desktop Deployment Plan

Extending your engagement

If you wish to extend your engagement you can do so. The cost for the extension can either be met by your department, or in some instances, can be covered by converting some of your FREE Software Assurance training vouchers for additional FREE DDPS vouchers – please contact us to learn how to do this.

How to order

To redeem your **FREE Desktop Deployment Planning Service** vouchers, and gain access to expert advice from Bytes on how to best approach the deployment of the latest Microsoft technology, please request a **DDPS pre-engagement questionnaire** by calling 020 8786 1500, or emailing ddps@bytes.co.uk.
