

## Speaker Bio

**Diana Volere, CISSP, CCSP**  
**Chief Evangelist / Director of Product Marketing**  
**Saviynt**

Diana is a strategist, architect and communicator on digital identity, governance and cybersecurity, with a passion for organisational digital transformation. She has helped global Fortune 500 companies with digital transformation, with an emphasis on healthcare and financial verticals.

In her role as Saviynt's Chief Evangelist, she delivers Saviynt's vision to the community, partners, and customers, addressing how to solve present and future business challenges around identity. Her past twenty years have been spent in product and services organisations in the IAM space. Outside of work she enjoys travel, gastronomy, sci-fi, and most other activities associated with being a geek.
