

# Bytes' **FALCON COMPLETE™**

**A revolutionary approach to endpoint security**

Complete Endpoint security with Managed Detection and Response (MDR).

## **Falcon Complete™ - turnkey endpoint security that includes the only breach prevention warranty of its kind**

A truly effective endpoint security solution requires a holistic approach. However, many organisations struggle to implement a comprehensive program because the time, cost and expertise needed are too high.

Falcon Complete™ solves this problem by adding a team of security experts to handle every aspect of CrowdStrike® endpoint security technology for you. This powerful combination of people, processes and technology brings you to the highest level of endpoint security maturity without the burden of building it yourself. Falcon Complete™ includes:

### **Falcon Complete™ Solutions**

- **Falcon Prevent™** – next-gen antivirus with machine learning, exploit blocking, indicator of attack (IOA) behavioral analysis and more
- **Falcon Insight™** – endpoint detection and response (EDR)
- **Falcon Discover™** – IT hygiene and asset inventory
- **Falcon OverWatch™** – 24/7 managed threat hunting with managed detection and response (MDR)

### **Falcon Complete™ Team**

- On-boarding
- Proactive configuration management
