

Bytes OFFICE 365 VALUE DISCOVERY WORKSHOP

Time to plan your new Office move with one of our Cloud Solution Specialists?

Office 365 is your always up to date, best in class productivity tool. It's about bringing enterprise grade services to organisations of all sizes, from online meetings to sharing documents to business class email.

Office 365 has the tools you need to work **anytime, anywhere**, on **any device**.

Work with confidence

Securely access content from anywhere, never miss a security update and log in just once from your device

Work better from anywhere

Access must-have files, work together in real time and keep your team on track

Work your way

Take your Office anywhere on any device with access to 'always there documents'

One Day Workshop available Free of Charge*

*when booked by 30th June. Subject to availability.

Bytes Office 365 Value Discovery workshop is the perfect starting point for organisations looking for best practice advice in advance of deploying Office 365. Usually priced at £1000, we have a limited number available free-of-charge, delivered in your offices.
