

Bytes **FAST TRACK CENTRE BENEFIT**

If you are looking to deploy Microsoft 365 within your business but don't know where to start, **Bytes' FastTrack Centre Benefit** will provide best practices, tools and resources to **ensure a smooth and successful migration.**

What is FastTrack?

In a nutshell, the FastTrack Benefit for Microsoft 365 provides guidance for planning, deployment and adoption when migrating your IT environment. At no additional cost to your Microsoft 365 subscription, you will have remote access to guidance from Bytes specialists, best practices, tools and resources.

The FastTrack with Bytes Service helps organisations accelerate deployment and gain end-user adoption of Office 365, Enterprise Mobility + Security and Windows 10.

- **Ongoing, repeatable benefits included in your subscription**
- **Online resources and tools available to all customers**
- **Delivery by Bytes Specialists**

Why engage with Bytes for FastTrack?

By engaging with Bytes to accelerate your M365 deployment, you will benefit from a whole host of complimentary services and the option to add on additional benefits including*:

- **Pre and post implementation health checks**
- **Creation of Proof of Concept**
- **Migration assistance**
- **Backfill BAU resources**
- **Premier backed cloud support services**

*some additional benefits are chargeable.

Bytes is one of only 20 UK FastTrack Ready Partners, able to deliver assistance through this benefit
