21.1 The Customer shall not, without the prior written consent of Bytes, at any time from the date on which any Services commence to the expiry of 12 months after the termination of such Services, solicit or entice away from Bytes or employ or attempt to employ any person who is, or has been, engaged as an employee, consultant, or subcontractor of Bytes in the provision of such Services. Any consent given by Bytes shall be subject to the Customer paying to Bytes a sum equivalent to 20% of the then current annual remuneration of Bytes' employee, consultant, or subcontractor or, if higher, 20% of the annual remuneration to be paid by the Customer to that employee, consultant, or subcontractor.

22. Variation

22.1 No variation of this Agreement shall be effective unless it is in writing and signed by the parties (or their authorised representatives), unless such variation is to reflect changes in relevant laws, regulatory requirements or Microsoft imposed amendments, for which Bytes will provide no less than 30 days' written notice of the variation which shall apply on the expiry of such notice..

23. Waiver

23.1 A waiver of any right or remedy under this Agreement or by law is only effective if given in writing and shall not be deemed a waiver of any subsequent breach or default.

23.2 A failure or delay by a party to exercise any right or remedy provided under this Agreement or by law shall not constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict any further exercise of that or any other right or remedy. 23.3 A party that waives a right or remedy provided under this Agreement or by law in relation to one party or takes or fails to take any action against that party, does not affect its rights in relation to any other party.

24. Rights and Remedies

24.1 The rights and remedies provided under this Agreement are in addition to, and not exclusive of, any rights or remedies provided by law.

25. Severance

25.1 If any provision or part-provision of this Agreement is or becomes invalid, illegal, or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal, and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of this Agreement.

25.2 If one party gives notice to the other of the possibility that any provision or part-provision of this Agreement is invalid, illegal, or unenforceable, the parties shall negotiate in good faith to amend such provision so that, as amended, it is legal, valid, and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.

26. Entire Agreement

26.1 This Agreement constitutes the entire Agreement between the parties and supersedes and extinguishes all previous Agreements, promises, assurances, warranties, representations, and understandings between them, whether written or oral, relating to its subject matter.

26.2 Where subsequent Statement of Works are entered into between the parties, this Agreement will apply.

26.3 Each party agrees that it shall have no remedies in respect of any statement, representation, assurance, or warranty (whether made innocently or negligently) that is not set out in this Agreement. Each party agrees that it shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in this Agreement.

27. No Partnership or Agency

27.1 Nothing in this Agreement is intended to, or shall be deemed to, establish any partnership or joint venture between any of the parties, constitute any party the agent of another party, or authorise any party to make or enter into any commitments for or on behalf of any other party.

27.2 Each party confirms it is acting on its own behalf and not for the benefit of any other person.

28. Third Party Rights

28.1 No one other than a party to this Agreement, their Affiliates, successors and permitted assignees, shall have any right to enforce any of its terms.

29. Notices

- 29.1** Any notice given to a party under or in connection with this Agreement shall be in writing and shall be:

Unless otherwise agreed between the parties within fourteen (14) days of notice of the dispute, the mediator will be nominated by CEDR. To initiate the mediation a party must give notice in writing (**ADR notice**) to the other party to the dispute, referring the dispute to mediation. A copy of the referral should be sent to CEDR.
- 30.2** Unless otherwise agreed, the mediation will start not later than twenty-eight (28) days after the date of the ADR notice. The commencement of a mediation will not prevent the parties commencing or continuing court proceedings.
- 31. Export Control**
- 31.1** Neither party shall export, directly or indirectly, any technical data acquired from the other party under this Agreement in breach of any applicable laws or regulations, including United States export laws and regulations, to any country for which the United States or any other government or any agency thereof at the time of export requires an export licence or other governmental approval without first obtaining such licence or approval.
- 32. Governing Law**
- 32.1** This Agreement and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the law of England and Wales.

Goods means the goods (or any part of them) set out in the Quotation including Hardware and Third Party Software;

Goods Description means any specification for the Goods which may be provided to the Customer;

2. Purpose

2.1 This Schedule shall, in conjunction with the main body of the Agreement, govern the Customer's procurement of Goods from Bytes.

3. Order

3.1 The Customer may request at any time a Quotation for the Goods from Bytes. Such Quotation shall be valid until the end of the calendar month in which it is raised.

3.2 To place a Goods Order, Customer must provide a purchase order to Bytes which matches the relevant Bytes Quotation for those Goods.

3.3 Each Quotation issued by Bytes for the Goods is subject to and incorporates the terms of the Agreement and this Schedule, along with the relevant Manufacturer or Vendor terms (as applicable).

3.4 The Goods Order constitutes an offer by the Customer to purchase Goods from Bytes in accordance with this Schedule as identified in the relevant Quotation.

3.5 Bytes shall be under no obligation to provide a Quotation for the Goods when requested by the Customer. Bytes may reject any Goods Order for which it does not receive a corresponding purchase order within a reasonable time.

3.6 Each Goods Order gives rise to a separate and distinct agreement under this Agreement. Any event of default by a party relating to one Goods Order will not be considered an event of default under any other Order for Goods or otherwise.

3.7 Affiliates of the Customer may place a Goods Order with Bytes by way of this Agreement. Such Affiliate agrees to be bound by this Agreement and will be considered "Customer". Any Affiliate that enters into a Goods Order is liable for its own obligations. Affiliates may not amend, modify, or change the terms of this Agreement, except as they may specifically apply to their Goods Order and only with the written agreement of Bytes.

3.8 Bytes reserves the right to require upfront payment for Hardware in line with best practice and governance policies.

4. Goods

4.1 The Goods will be described in either an applicable Goods Description or in the relevant Quotation. Unless otherwise agreed, the Goods are supplied in accordance with the Manufacturer's standard specifications as these may be improved, substituted, or modified.

4.2 Bytes will use its reasonable endeavours to advise the Customer of any variation for whatsoever reason in the Goods Description, Manufacturer's specifications, or technical data of the Goods as soon as it receives any such notice thereof from the Manufacturer. Bytes shall not be liable in respect of any loss or damage caused by or resulting from such variation including for curtailment or cessation of supply of Goods following any such variation.

5. Delivery

5.1 Bytes shall deliver the Goods to the Delivery Location set out in the Order or such other location as the parties may agree in writing (the "**Delivery Location**").

5.2 Delivery of the Hardware shall be completed on the completion of unloading of the Hardware at the Delivery Location. However, risk in the Goods shall pass to the Customer in accordance with Clause 7.1.

5.3 At the time of delivery, the Customer must check that the quantity of Hardware matches the quantity set out on the proof of delivery ("**POD**") and that the exterior of the Hardware are in good condition. The Customer must sign the POD accordingly. If the exterior of the Hardware is damaged the Customer must indicate this on the POD. The Customer must inform Bytes of any difference to quantity or of damage as soon as possible and in any event within three (3) Business Days of the delivery.

5.4 A signed POD by or on behalf of the Customer or signing the POD "unchecked" or "unexamined" or any such similar wording, shall be conclusive evidence of delivery and (except to the extent that any damage or discrepancy is noted on the POD) that it was received in good order and condition and accordingly no claims shall be brought in respect of the delivery claiming the contrary.

5.5 The Customer must inspect the Hardware as soon as is practicable after delivery is complete. If any Hardware is damaged, incorrect, or not delivered, the Customer must notify Bytes within three (3) Business Days of the delivery or expected delivery. For the avoidance of doubt, the Customer is still required to notify Bytes as set out in this Clause 5.5 notwithstanding anything noted by the Customer on the POD.

5.6 Delivery of Third Party Software shall be done electronically, unless otherwise agreed.

5.7 Any dates quoted for delivery of the Goods are estimates only, and the time of delivery is not of the essence.

5.8 Despatch may be postponed due to conditions beyond Bytes' reasonable control, such as a Force Majeure Event, a delay caused by the carrier or the Customer's failure to provide Bytes with an adequate delivery address detail or any other instructions that are relevant to the supply of the Goods, and in no event shall Bytes be liable for any damages or penalty for delay in despatch or delivery of the Goods or consider any claims for compensation.

5.9 Bytes may deliver the Goods by instalments, which shall be invoiced and paid for separately. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.

6. Quality

6.1 Subject to Clause 6.3, Bytes warrants that, on delivery, the Goods shall:

- (a) conform in all material respects with any applicable Goods Description; and
- (b) be free from material defects in design, material, and workmanship.

6.2 Bytes warrants that it has licence to supply all Goods to the Customer.

6.3 All Software is supplied on an "as is" basis only. Any warranty for the Software shall be provided only by the relevant Vendor on the terms in the End User Licence Agreement. Bytes does not provide any warranty for the Software.

6.4 The sole obligation of Bytes in connection with the supply of Third Party Software is to use all reasonable endeavours to obtain and supply a correct version from the Manufacturer concerned in the event that such Third Party Software should fail to conform to the Quotation, provided always that the Customer notifies Bytes of any such non-conformity within thirty (30) days of the date of delivery of the applicable Third Party Software.

6.5 Subject to Clause 6.6, Bytes shall, at its option, repair or replace the defective Goods, or refund the price of the defective Goods in full if the Customer returns the Goods in accordance with Clause 9.1. Bytes will not consider any claim for compensation, indemnity, or refund under liability unless it has been established or agreed with the Manufacturer.

6.6 Bytes shall not be liable for the Goods' failure to comply with the warranty in Clause 6.1 if:

- (a) the Customer makes any further use of such Goods after giving a notice in accordance with Clause 5.5;
- (b) the defect arises because the Customer failed to follow Bytes', or the Manufacturer's oral or written instructions as to the storage, installation, commissioning, use or maintenance of the Goods or (if there are none) good industry practice;

- (c) the Customer alters or repairs such Goods without the written consent of Bytes;
 - (d) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal working conditions; or
 - (e) without prejudice to Clause 6.1(b), the Goods differ from their specification as a result of changes made to ensure they comply with applicable statutory or regulatory standards.
- 6.7** Except as provided in this clause 6, Bytes shall have no liability to the Customer in respect of the Goods' failure to comply with the warranty set out in Clauses 6.1 and 6.2 and shall not be liable for the cost of labour or other expenses incurred in repairing defective or non-conforming parts.
- 6.8** The terms of these Conditions shall apply to any repaired or replacement Goods supplied by Bytes.
- 6.9** Except as specifically set out in this Clause 6, Bytes disclaims and excludes all other warranties, whether express or implied, by statute or otherwise, including but not limited to the warranties of description, design, satisfactory quality, and fitness for a particular purpose, or arising from any previous course of dealing, usage, or trade practice.
- 7. Title and Risk**
- 7.1** The risk in the Hardware shall pass to the Customer at the time the Goods are handed over to the transportation company at the Manufacturer's premises. Bytes recommends that the Customer has appropriate insurance cover for the Goods from the point at which risk passes.
- 7.2** Title to the Hardware shall not pass to the Customer until Bytes is in receipt of payment in full (in cash or cleared funds) for the Hardware.
- 7.3** Until title to the Hardware has passed to the Customer, the Customer shall:
- (a) store the Hardware separately from all other goods held by the Customer so that they remain readily identifiable as Bytes' property;
 - (b) not remove, deface, or obscure any identifying mark or packaging on or relating to the Hardware;
 - (c) maintain the Hardware in satisfactory condition and keep them insured against all risks for their full price on Bytes' behalf from the date and time at which risk passes;
 - (d) not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Hardware; and
 - (e) notify Bytes immediately if it becomes subject to an Insolvency Event.
- 7.4** If title to the Hardware passes to the Customer before the Customer becomes subject to an Insolvency Event, then, without limiting any other right or remedy Bytes may at any time:
- (a) require the Customer to deliver up, at its own cost, all Hardware in its possession which have not been irrevocably incorporated into another product; and
 - (b) if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Hardware is stored, using reasonable force if necessary, in order to recover them.
- 7.5** Despite Bytes' retention of title to the Hardware, Bytes reserves the right to take legal proceedings to recover the price of Hardware supplied should the Customer fail to make full payment by the invoice due date.
- 8. Customer Responsibilities**
- 8.1** The Customer shall:
- (a) ensure that Bytes or the Manufacturer (as applicable) will be provided with any access to premises, office accommodation and other facilities as reasonably required to fulfil their obligations under this Agreement; and
 - (b) provide Bytes and the Manufacturer with such information and materials as they may reasonably require in order to supply the Goods and ensure that such information is complete and accurate in all material respects.
- 9. Returns**
- 9.1** All Hardware returns can only be facilitated where the Manufacturer allows for the return of such Hardware.
- 9.2** Bytes reserves the right to reject any Hardware which do not comply with the conditions set out by the relevant Manufacturer.
- 9.3** Bytes reserves the right to test all Hardware returned as faulty and to return to the Customer (at the Customer's expense) any Hardware found not to be faulty. Bytes also reserves the right to levy an additional reasonable charge to cover the cost of such testing.
- 9.4** Where Bytes agrees to the return of Hardware, the Customer shall bear the costs associated with the delivery of the Hardware to Bytes' nominated returns address.
- 9.5** Bytes reserves the right to levy a reasonable administration charge in respect of the rotation of Hardware and returns.
- 10. Intellectual Property Rights**
- 10.1** The Customer hereby acknowledges that any Intellectual Property Rights used on or in relation to the Hardware or any Third Party Software supplied hereunder, including, but not limited to, any title or ownership rights, shall at all times and for all purposes vest and remain vested in Bytes, the manufacturer, or the Vendor (as applicable).
- 10.2** The Customer hereby acknowledges that it is its sole responsibility to comply with the End User License Agreement attaching to Third Party Software supplied and delivered by Bytes, including the execution and return of such an End User License Agreement. The Customer is hereby notified that failure to comply with such terms and conditions could result in the Customer being refused a licence or having the same revoked by the proprietary owner. The Customer further agrees to indemnify Bytes and keep Bytes indemnified and hold it harmless in respect of all losses suffered or incurred by Bytes as the result of any breach by the Customer of the relevant End User License Agreement.
- 10.3** Unless otherwise expressly agreed in writing, no title or ownership of Intellectual Property Rights licensed to the Customer is transferred to the Customer or End User under any circumstances.

 - (c) any modification or alteration of the Professional Services by any person other than Bytes or its authorised agents;

3.3 To place a Managed Services Order, Customer must provide a purchase order to Bytes (which matches the relevant Bytes Quotation) and a signed copy of the relevant Statement of Work. A Managed Services Order shall not be valid until Bytes are in receipt of these documents.

3.4 The Customer understands and agrees that each Statement of Work will contain terms and conditions specific to those Managed Services being procured. Each Statement of Work issued by Bytes for the Managed Services shall be subject to and incorporate the terms of the Agreement and this Schedule.

3.5 The Managed Services Order constitutes an offer by the Customer to purchase Managed Services from Bytes in accordance with this Schedule as identified and agreed in the relevant Statement of Work.

4. Service Commencement

4.1 Bytes will use best efforts to ensure that commencement of the Managed Services occurs within thirty (30) days of the Statement of Work being signed, but time will not be of the essence.

4.2 The Statement of Work may specify a target "Service Commencement date". If Bytes is unable to commence the Managed Service by the Service Commencement date, notice will be provided to the Customer.

4.3 The Service Commencement date is subject to the Customer fulfilling its obligations under clause 5 and to any other corresponding dependencies on the Customer as set out in the relevant Statement of Work.

4.4 Bytes shall provide the Managed Services until expiry or termination of the Statement of Work.

5. Customer Obligations

5.1 The Customer shall not:

(ii) which infringes or is reasonably likely to infringe the Intellectual Property Rights or other rights of any person, or misappropriates or misuses the trade secrets of any person, or which is likely to result in a breach of any obligation of confidence owed to any person;

(b) use or attempt to use or misuse the Managed Services in any way that is criminal or otherwise unlawful.

5.2 The Customer shall remain responsible for the use of the Managed Services under its control, including any use by third parties (whether fraudulent or invited by the Customer).

5.3 The Customer shall:

(a) provide Bytes with:

(i) all necessary co-operation in relation to this agreement; and

(c) carry out all other Customer responsibilities set out in this Schedule and any Statement of Work in a timely and efficient manner. In the event of any delays in the Customer's provision of such assistance as agreed by the parties, Bytes may adjust any timetable or delivery schedule set out in the Statement of Work as reasonably necessary.

6. Bytes Obligations

6.1 Bytes reserves the right to:

(a) Modify Bytes' system, its network, system configurations or routing configuration; or

(b) modify or replace any hardware or software in its network or in equipment used to deliver any Managed Service over its network.

provided that this has no adverse effect on Bytes' obligations under this Agreement and its provision of the Managed Services. If such changes will have an adverse effect, Bytes shall notify the Customer and the parties shall follow the Change Control Procedure detailed in the Statement of Work.

6.2 Bytes warrants to the Customer that the Managed Services provided will substantially correspond to the Statement of Work.

6.3 The warranty in clause 6.2 shall not apply to the extent of any non-conformance that is caused by use of the Managed Services contrary to:

(a) Bytes' instructions; or

(b) The assumptions and/or pre-requisites identified in the Statement of Work, to be met by the Customer.

6.4 If the Managed Services do not conform with the undertaking in clause 6.3, Bytes will use all reasonable commercial endeavours to correct any such non-conformance promptly or provide the Customer with an alternative means of accomplishing the desired performance. Such correction or substitution constitutes the Customer's sole and exclusive remedy for any breach of the undertaking in clause 6.3.

6.5 Bytes shall supply all Managed Services remotely or at Customer's offices at the Agreed Work Location(s) unless separately engaged by the Customer to attend an alternative site. Any travel and accommodation for onsite work shall be chargeable at cost unless otherwise agreed between the parties.

6.6 Where Bytes staff are required to attend the Customer's offices they shall adhere to the Customer's policies and procedures whilst on site provided the policies and procedures have been clearly highlighted and communicated to Bytes in advance or on the day Bytes staff attend site.

- 6.7 Notwithstanding the foregoing, Bytes does not warrant that the Customer's use of the Managed Services shall be uninterrupted or error-free.
- 7. Security**
- 7.1 Bytes shall ensure that appropriate safety and security systems and procedures are maintained and enforced to prevent unauthorised access or damage to any and all Managed Services, Bytes' systems and related networks or resources and the Customer data, in accordance with Good Industry Practice.
- 7.2 Bytes shall ensure that its system is designed, maintained, and upgraded at all times so as to minimise the risk of attack by viruses. The parties agree that if viruses are found, each of them shall co-operate with the other to reduce the effect of the viruses and, particularly if the virus causes loss of operational efficiency or loss or corruption of Customer data, assist each other to mitigate any losses and restore the Managed Services to their original operating efficiency. The costs of complying with this clause 7.2 shall be apportioned between the parties on a pro rata basis according to fault.
- 7.3 The Customer shall promptly inform Bytes if it suspects or uncovers any breach of security and shall use all commercially reasonable endeavours to promptly remedy such breach.
- 8. Change Control**
- 8.1 If either party wishes to change the scope of the Managed Services, it shall submit details of the requested change to the other in writing.
- 8.2 If either party requests a change to the scope or execution of the Managed Services, Bytes shall, within a reasonable time, provide a written estimate to the Customer of:
- (a) the likely time required to implement the change;
 - (b) any variations to Bytes' price arising from the change; and
 - (c) any other impact of the change on the terms of the Agreement or Statement of Work in place between the parties.
- 8.3 If the Customer requests a change to the scope of the Services, Bytes shall not unreasonably withhold or delay consent to it.
- 8.4 If the Customer wishes Bytes to proceed with the change, Bytes has no obligation to do so unless and until the parties have agreed in writing on the necessary variations to its price and any other relevant terms to take account of the change.
- 9. Term and Termination**
- 9.1 The Statement of Work shall have effect from the Start Date for the duration of the initial term specified in the Statement of Work.
- 9.2 Each Statement of Work will have effect from the Service Commencement Date for the duration of the initial term specified in the Statement of Work (the "Initial Term"), and will thereafter renew for successive further terms of 12 months' duration (each, a "Renewal Term" and, together with the Initial Term, the "Service Term") unless either Party, by not less than ninety (90) days' notice to the other, to expire at the end of the Initial Term or then-current Renewal Term (as the case may be), elects not to renew it, in which case that Statement of Work will expire. At each renewal point Bytes reserves the right to increase its Fees in accordance with its then current Managed Service pricing.
- 9.3 Either party may terminate a Statement of Work on ninety (90) days' written notice to the other if:
- (a) the other party commits any material breach of the terms of this Schedule and (if the breach can be remedied) it fails to remedy the breach within thirty (30) days or other mutually agreeable timeframe; or
 - (b) the other party commits a material breach of this Agreement which is not capable of being remedied.
- 10. Consequences of Termination**
- 10.1 Termination of a Statement of Work will not affect any rights, remedies, obligations, or liabilities of the parties that have accrued up to the date of termination.
- 10.2 On termination or expiry of this Agreement for whatever reason, to the extent requested by the Customer, Bytes shall provide all reasonable assistance to the Customer, or any successor supplier of replacement Managed Services substantially similar to the Managed Services, to allow the Customer to obtain such replacement Managed Services with the minimum of disruption and such assistance does not exceed twenty-one (21) Business Days duration.
- 10.3 The Customer shall pay Bytes' reasonable pre-approved costs in fulfilling its obligations under Clause 10.2.
- 10.4 Any provision of this Schedule that expressly, by implication or by its nature is intended to come into or continue in force on or after termination will do so.
- 11. Service Suspension**
- 11.1 In addition to the termination rights in clause 10, Bytes will be entitled to suspend provision of the Managed Services if:
- (a) Customer breaches clause 5 (Customer obligations);
 - (b) Bytes becomes entitled to terminate this Agreement or any Statement of Work; or
 - (c) Bytes, acting reasonably, deems it necessary to defend its systems or those of its other customers.
- 11.2 Bytes will reinstate the Managed Services:
- (a) in the case of suspension pursuant to clause 11.1 inclusive, as soon as practicable following the Customer's rectification of the reason for suspension; and
 - (b) in the case of suspension pursuant to clause 11.1(b), as soon as practicable when Bytes acting reasonably, no longer considers it necessary. The Customer will not be entitled to any refund or discount in respect of any period of suspension.
- 12. Indemnities**
- 12.1 Bytes will indemnify the Customer against any liability or cost (including reasonable legal fees) incurred by the Customer as a result of any claim by a third party that the Managed Services, when used in accordance with this Statement of Work, infringes the Intellectual Property Rights of that third party (a "Third Party IP Claim"), but only if the Customer:
- (a) promptly informs Bytes in writing of such Third-Party IP Claim, setting out reasonable details;
 - (b) does not make any admission, agree any settlement, or otherwise dispose of such Third-Party IP Claim without Bytes' prior written consent;
 - (c) on request by Bytes, gives Bytes conduct of such Third-Party IP Claim (including its negotiation and settlement); and
 - (d) gives Bytes all reasonable information and assistance which Bytes may request to assist it in defending or settling such Third-Party IP Claim.
- 12.2 Bytes' obligations in clause 12.1 will not apply if the Third-Party IP Claim is based on:
- (a) the use of the Managed Services in combination with products or services not supplied by Bytes;
 - (b) any specification or set of requirements for a Service specified by the Customer;
 - (c) any modification or alteration of the Managed Services by any person other than Bytes or its authorised agents;
 - (d) any third-party software, hardware or service comprised in the Service, except to the extent that Bytes is able to achieve equivalent recovery from that third party (Customer recognising that only a fair portion of such recovery may be allocated to the Customer); or
 - (e) the failure of the Customer to comply with this agreement or to follow Bytes' reasonable instructions in respect of the Managed Services.
- 12.3 If the Managed Services or any part of them are found to infringe a third party's Intellectual Property Rights or other rights, whether as a result of a Third-Party IP Claim or otherwise, then Bytes may, at its own expense:
- (a) modify the Managed Services to avoid the infringement; or
 - (b) procure for the Customer from the third-party right holder the right to continue to receive the Managed Services,
- and, if neither of the above is (in Bytes' reasonable opinion) commercially practicable, terminate the Statement of Work in which case Bytes will have no further liability to the Customer beyond that described in this clause 12.

A detailed description of the data processing activities, including the Personal Data concerned, is set out in the Data Processing Details.

2.2 To the extent that Bytes acts as a processor for the Customer with respect to the Personal Data, Bytes shall:

- (a) only process the Personal Data for the purposes of performing its obligations under this Agreement and in accordance with the written instructions given by the Customer from time to time, unless Bytes is subject to an obligation under applicable law (including Data Protection Law) of the UK, European Union or a member state of the European Union to do otherwise, in which case Bytes shall (unless prohibited by law on important grounds of public interest) notify the Customer in advance of that legal obligation;

2.3 Subject to paragraph 2.4, Bytes shall provide the Customer with all information reasonably requested by the Customer to enable the Customer to verify Bytes' compliance with this paragraph 2. Without prejudice to the foregoing and upon one month's prior written notice from the Customer, Bytes shall assist the Customer in undertaking an audit of Bytes' compliance with the requirements of this paragraph 2 with respect to the Personal Data, provided that the scope of the audit and manner in which it is conducted will be agreed between the Parties in advance and shall ensure such audit does not adversely affect Bytes' operations. The Customer shall act reasonably and in good faith in exercising its audit rights under this paragraph 2.3 and Bytes' costs and expenses incurred in assisting the Customer with each audit shall be borne by the Customer. The Customer's audit rights as set out in this paragraph 2.3 shall not be exercised by the Customer more frequently than once a year.

In such circumstances the Customer agrees to accept those findings in lieu of requesting an audit.

- 2.5** The Customer acknowledges that Bytes may transfer Personal Data outside of the Safe Countries. - 2.6** Bytes may subcontract the processing of Personal Data to any third party (each sub-processor). Bytes shall notify the Customer of each sub-processor that it intends to subcontract the processing of Personal Data to. If within fourteen (14) days of receipt of that notice, the Customer notifies Bytes in writing of any objections to the proposed appointment (such objections to be made on reasonable grounds which shall be limited to a reasonable belief of the Customer that the requirements of paragraph 2.7 have not been satisfied), Bytes shall not appoint (nor disclose the Customer's Personal Data to) that proposed sub-processor until reasonable steps have been taken to address the objections raised by the Customer and the Customer has been provided with a reasonable written explanation of the steps taken. The Customer acknowledges and agrees that any objection raised by the Customer may cause or contribute to a delay or failure by Bytes and/or its sub-processor to perform Bytes' obligations under this Agreement, and that Bytes shall not be liable for any Losses suffered or incurred by the Customer arising out of or in connection with any such delay or failure.
- 2.7** With respect to each sub-processor Bytes will ensure that it has in place an agreement with the sub-processor that provides no less protection for Personal Data than those set out in paragraph 2. Bytes shall remain responsible for the acts and omissions of its sub-processors.
