

Surface-as-a-Device

Design your service. Spread the cost. Maximise the value.

What is DaaS?

An integrated Microsoft experience

Bundle Surface devices, software, accessories, and services in a simple, per-user subscription

Cutting edge technology

Provide your employees with the latest hardware, software, and services to power productivity

Predictable costs

Every user's technology needs are included in a monthly subscription with a fixed fee, reducing your upfront investment

Simplified deployment

Everything is packaged together and provided from a single source, reducing overhead

Scalability

You can add users as needed, with predictable costs

Devices available

Surface Duo, Surface Go, Surface Pro 7, Surface Pro X, Surface Laptop 3, Surface Studio
